Karl- please let me know if this is alright with you (Becky, Curtis and Mary have all reviewed and approved). And you can either send it yourself or let us know if you want Julia or Dana to send for you (I believe they may be leaving the office around 4:30ish).

Ms.Gibbs – I have received your email responding to my October 2, 2014 letter to you. Your response reinforces to me the value of a conversation between us about the scientific information EPA has in hand regarding the Westlake Landfill. Once you conclude your visit to St. Louis, I look forward to hearing from you about a convenient time for such a meeting or conversation.

Thank you,
